

# Microsoft Teams Development Services

Maximize your Microsoft Teams investment with LDC

Connect your workforce by bringing people, calls, chats, meetings, and other third-party tools all together in one place. As a Microsoft Gold certified partner, LDC will migrate, govern and optimize your technical environment to ensure a robust Microsoft Teams rollout.

LDC's upgrade guidance is built upon a proven success framework that incorporates change management best practices and expertise based on years of successful deployment across several industries and solutions.

We help you customize a framework that meets your organization's business needs through a variety of features, API integrations, and Add-ons.

By leveraging LDC's expertise, enterprises will be able to ensure Teams is widely adopted for the scenarios that matter the most:

- Migrations from current tools and user training to ease adoption and reduce overlap of tools
- Reduce the learning curve and drive quicker, stronger and seamless solution adoption
- Ensure optimization through maintenance, patching, and ongoing support

## Why LDC?
